

Agricultural Tours in Southern Arava

The Vidor Center – A Window to Agriculture in the Arava

The center invites the visitor to learn about advanced agriculture, the animal and flora world, and the challenges of climate, soil and water in the desert.

Kibbutz Yahel - Eco-Agricultural Tour

Kibbutz Yahel is located in the southern Arava, about 60 Km north of Eilat.

Drive through majestic date plantations, lush Pomelo groves and bountiful field crops.

Kibbutz Lotan - Desert Agriculture...From Sand to the World Market

Hothouse technologies , "Air Conditioned" Cows and Short walkabout the "EcoFun" Park and glimpses of local organic farming and permaculture systems.

Kibbutz Ketura, Agriculture and Energy

You are invited to experience a fascinating Tour of Kibbutz Ketura, including: The first solar panel field in Israel and the first in the world to be cleaned robotically, a algae production plant, Algae technologies, a large scale (40 MW) solar field, Additionally, a visit to the off-grid model village.

Yotvata Agriculture Tour

The tour includes a visit to Arava Dairy Farm and Yotvata Dairy, Southern Arava Research and Development Center and Yotvata agriculture.

Kibbutz Elifaz - Agricultural Tour & Renewable Energy

The tour begins in the cowshed where you will see how Holstein Cattle are raised in the African continent's backyard. We will visit the hydroponics hothouse where lettuce are grown (March-August) and then drive to see the wetlands purification method.

Meals along the way:

Tzel Tmarim (Yahel)

An elegant new option on route to Eilat restaurants, shops & a play ground.

Lotan:

Lotan offers delicious meals, including the best products from the local (goat) dairy farm, as well as meat meals. Prices vary according to the menu.

Yotvata:

The local rest stop offers or a sub with breaded chicken breast or a hot dog, plus fries, hummus and soft drink.

Timna – Complete meals with salads, dips, and savory meat courses.

Kapot Tmarim – Restaurant on Kibbutz Eilat

Lunch: according to menu.

Pre-arranged menus and meals: packaged lunches, outdoor buffets and catering for extraordinary outdoor events held anywhere from the Arava to Sapir Park.
