HOTEL EUROPA 1917

Tiberias

Prestige & History

Entering the hotel, one can sense the presence of an enigmatic story, a rare encounter between the ottoman British and Israeli cultures which was created in Tiberias, during the early twentieth century. established in 1917, as a prestigious hotel outside the Old city.

**An exclusive boutique hotel,
preserved with a unique design style...**

The hotel rooms, have a distinct charm, unlike any other hotel. During the hotel renovation, special attention was given to the historical preservation, and it was a core value that fashioned unique rooms, that carry no resemblance to classic hotel rooms. All rooms have pool & city view. All rooms are equipped with all the modern amenities.
